This American citizen has appealed, and as The resolutions adopted endorse Grant, the 1 want to die, 1 can shoot myself." vet in vam, to the American Government administration of Gov. Caldwell, declare for for rediess and release. Let us have leave, leave and take a wide range in believe while sitting on the bench?

With Mexico our relations are even more | fices will be exciting. complicated. The sacredness of American soil has time and again been violated. Badger. it is said that the army of the Mexican General Cortina has been fed in great part on beeves stolen and driven from entered a Texan town, broke open the presides.

turned unmolested to their own country, although the Sheriff and other officials had notice of the intended raid. The telegrams on yesterday announced that a party of forty-two Mexicans of the Juarez or Government party, had crossed the river and had been arrested and taken to San Antonio, where the privates were released on parole though the officers were kept under

arrest. Let us have peace. With Russia, too, there has been a little unpleasantness, so much so, that an embassador has been recalled and sharp notes Branch, Joel Loftin, A. J. Mosely, Maj. J. have passed. Let us have peace.

With Prussia also, there are serious postances may be made at our risk in drafts, sible, if not probable, complications, growing out of the sale of arms to the French government during the late Franco-Prussian war. Prince BISMARCK is not the man to forgive or to forget such an affront if a convenient opportunity offers to get satisfaction for it.

Again, we say, let us have peace. Indeed, in whatever direction, save one, we turn our eyes, we may behold war clouds lowering. With one country we are at peace. With one people we are on friendly terms. Our relations with JAPAN are entirely harmonious, and with this we must, it seems, content ourselves and sat-

isfy our longings for peace and quiet. Upon the whole, we may safely venture the assertion that President Grant is the beauty of her daughters, and in our much more successful in the role of a fam- day and generation the traditions of the ily man than in that of a diplomat.

Abbott's Pretensions.

Abbott's pretensions to a seat in the Senate has engaged the attention of that Illinois, opened the debate on Thursday withal, the friend and father of his flock, R. R. Road. The property was not inlast, in opposition to General Abbott, and was replied to by Senator CARPENTER, of on, to be held at Greensboro', on the first Wisconsin. On Friday Mr. Morrill, of our horses at a rapid pace across the rip-Vermont, spoke against Abbott's claim, and on Monday, Judge THURMAN, of hen and where the Executive Committee Ohio, spoke on the same side. His speech is spoken of as the most conclusive, comprehensive and finished legal argument heard in the Senate within the past decade. We have read Senator Morrill's speech, learn that "the weed" nowhere yields such which is very able and conclusive.

The case was then postponed until Monday next, 22d inst., on account of the absence of Senator Pool, who is at Raleigh in attendance upon the Radical State Convention. A vote will probably be reached

BY TELEGRAPH. WASHINGTON.

Washington, April 17. SENATE .- A petition from the Republican members of the Mississippi Legislature, for a supplemental civil rights bill, was presented. The bill appropriating \$50,000, for an observation transit of Venus in 1874, passed.

The bill amending the enforcement act passed. It provides that if by the existing laws of any State, the election commencing on the Tuesday next after the first Monday in Noveraber, 1872, for the purpose of choosing Presidential electors, be required to be continued for more than one day, then said election shall be continued the number of days required by the laws of such States.

from the trade, the market during the past week has exhibited more stability, and cargoes have sold at an advance of 3 cents. In the early part of the week receipts were very meagre, but for the past two days are quite heavy, and make considerable addition to the stock which is esti mated to be between 100,000 and 125,000 bushels. Three cargo sales have been made as follows: Two containing 3,000 bushels at 76 cents, one of 3,300 bushels at 76% cents. Several others have arrived, but have gone into store. The receipts from all sources are as fellows: From Hyde and adjoining counties, 18,300 bushels; from Philadelphia, 2,200; from Baltimore 1,500; and by Wilmington & Weldon Railroad, 4,400 bushels. The demand is good and sales are made for small lots from store at 90 cents per bushel-highest figures including sacks .----OATS .- The stock in market is fully adequate to the wants. The receipts are moderate and demand limited. Sells from store at 70 to 75 cents per bushel .- PEAS .- The receipts during the week are about 350 bushels. The

quantities. Cow sells from \$1.20 to \$1.25, and White at \$130 per bushel. PROVISIONS .- For North Carolina bacon there is only a very light enquiry at present, dealers hav ing sufficient stock to supply the trade, are not in the market for purchases, and the market has been almost neminal. Dealers are selling at the following quotations: 8% to 9 cts. for shoulders, 9% to 10% cents for sides, 10% to 11 cents for hog round, and 12% to 13% cents for hams, as in quality. Western is in good stock. There is a fair demand existing, which is supplied from store as follows: SMOKED-5% to 7 cents for shoulders, 8% to 8% cents for sides, and 12% to 15 cents for hams. DRY SALTED-6 cents | New York. for shoulders, and 7 4 to 74 cents for sides .---LARD .- North Carolina is in good stock, and with the usual good demand. Sells from 10% to 11% cents per lb., as in quality.
